PROFILE

I am Ojo Joshua, a passionate and skilled full-stack developer with expertise in React, Next.js, and Node.js. I specialize in building dynamic, responsive, and user-friendly web applications with a focus on performance, scalability, and seamless backend integration. With a keen eye for detail and a strong understanding of modern web development practices, I bring ideas to life through clean code and innovative designs. Always eager to learn and stay updated with emerging technologies, I thrive in collaborative environments that challenge and inspire me to deliver exceptional results.

WORK EXPERIENCE

- Teamcore** 2023 - PRESENT
Fullstack developer
 - Develop and execute comprehensive marketing strategies and campaigns that align with the company's goals and objectives.
 - Lead, mentor, and manage a high-performing marketing team, fostering a collaborative and results-driven work environment.
